CLERK: Mr. President,...or, Madam President, excuse me, Senator Bromm explanation of vote. Motion from the Appropriations Committee to be laid over. (Re: LB 794. See page 1428 of the Legislative Journal.)

Communication from the Governor. (Read communication regarding LB 588 and LB 588A. See page 1428 of the Legislative Journal.)

New resolution. LR 75. (Read brief description of LR 75. See pages 1428-29 of the Legislative Journal.) That will be laid over.

That's all that I have, Madam President.

PRESIDENT MOUL: Thank you, Mr. Clerk. We'll proceed with Item 6 on the agenda, General File, LB 831.

CLERK: Madam President, LB 831 was a bill introduced by the Appropriations Committee at the request of the Governor. (Read title.) The bill was read on March 17, referred to Appropriations, advanced to General File. I have no amendments to the bill at this time.

PRESIDENT MOUL: Senator Moore.

SENATOR MOORE: Madam President, members, LB 831 is, by definition I guess, our early deficit bill this year. You remember in past years...now there...we will be having a deficit bill running along with our regular package, but in past years there has been a bill that you simply cannot wait until that bill passes in May because you have people operating in a situation where they do not have the funds to continue operating. And so, historically, we, at least in the last three years, and I know prior to that that only a true emergency ever found its way to an early deficit bill. This year we have one such situation where both the Governor and the committee are of the opinion we have a situation which is that much of a problem that it deserves some early attention. And what that is and while LB 830, there's just only one...there's only one issue in this early deficit bill and that is an issue of in the part of the administrative services. This bill would appropriate \$485,000 General Funds to Program 170 in DAS for the operation of what has been called the County Automation Project which was actually created in '89, I believe, by passage of LB 814, and
